

September 18, 2017

Dear Non Profit Professional:

I am writing to invite you to take part in a unique and important national training program designed especially for people in your position – financial professionals at nonprofit organizations. You will gain valuable financial expertise and increased credibility through the intensive 2 day training program, which is designed to enhance your ability to make an immediate impact on the fiscal management and accountability of your organization. Participants completing the program will be among the first recognized as Certified Nonprofit Accounting Professionals (CNAP).

One of the graduates of the first CNAP Pilot Program in New York says, “CNAP really does motivate you. It captures everything that you need to know in terms of internal controls, audit, cash flow and recognizing revenue. It is important!”

I hope that you will take advantage of this special opportunity and enroll in the upcoming CNAP Lutherville, MD training session that will begin on Wednesday, October 24, 2017. Full program details and a registration form are enclosed.

In order to facilitate the learning process and ensure that each participant receives the specialized attention, we will enroll a limited number of attendees for this session on a first-come, first-served basis. That is why we’re only alerting a limited number of our organizations and not opening up the session for public enrollment yet. The value of these sessions is \$935 but we’re offering these sessions for \$595.

Please keep in mind that the registration deadline is October 17, 2017. If you have any questions about this unique training initiative, please feel free to call Carol Frontera, at 410-879-2237 or email CarolF@wcscpa.com, she will be happy to assist you.

Yours truly,

Kelli Miller, CPA
Partner

CNAP has been exclusively designed for members of The Nonprofit CPAs Alliance, which is an affiliate of The Rainmaker Companies.
